

Worn by the desire to maintain our ties to the state of Kentucky even in the distance,

Driven by the enthusiasm to visibly manifest the honor of Kentucky and a Kentucky Colonel,

Convinced that good people should also perform good deeds visibly,

Remembering that we, as Kentucky Colonels, stand in an uninterrupted tradition of goodness, compassion, and helpfulness to the public,

With pride in Kentucky and the USA,

***Have therefore decided, to found***

***a German Brigade of The Honorable Order of Kentucky Colonels, and as such they will do a great service to the community.***

***To promote the "three goods" - good will, good works and having a good time!***
